Our Settler range of plans are ideal for small acreage or the first home buyer.

These look equally as good in town.

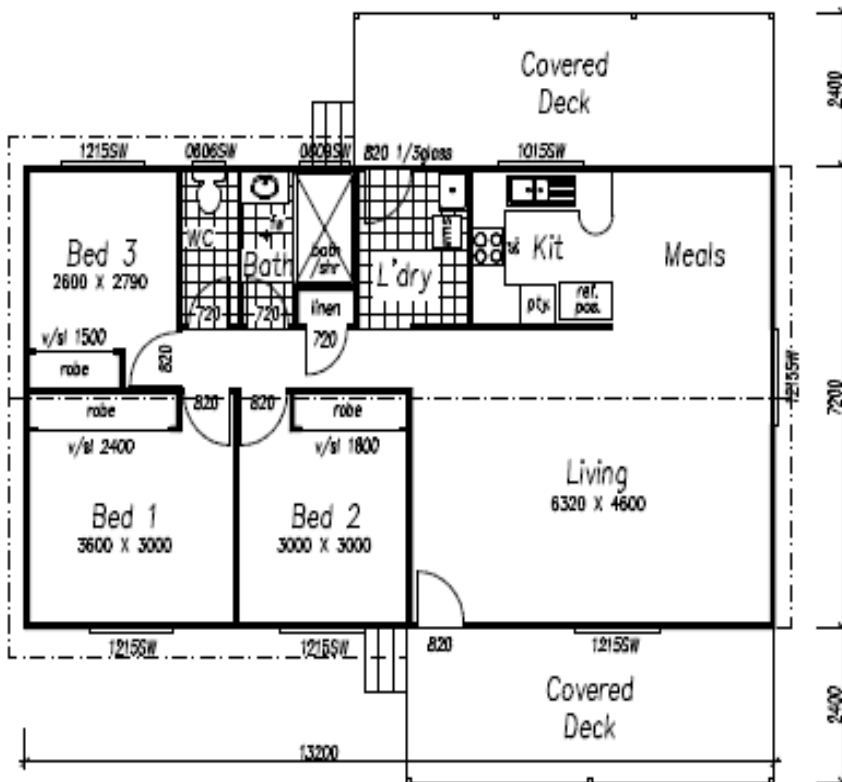

The standardised sizing and simple layouts ensure value for money.

Quality fittings are used but we limit the choices to ensure that the cost stays at an affordable level.

These can be built to any stage for the owner builder to complete or finished ready to move in.

There is no limit to the options for these homes. Ramps and balustrades. Mirror reverse if it suits the block better. Just ask us.
